[Membership in Service Clubs](#) Divya Wodon 2014-04-04 Membership in Service Clubs provides the first rigorous assessment of the activities of Rotary, a global service organization founded in 1905 that implements projects and helps build goodwill and peace throughout the world.

[Practice Standard for Earned Value Management](#) Project Management Institute 2011 Presents basic practice standards for the project management process, covering such topics as organizing a project, developing a schedule, establishing a budget, setting up a performance measure baseline, and analyzing project performance.

[The Great Mental Models: General Thinking Concepts](#) Farnam Street 2019-12-16 The old saying goes, "To the man with a hammer, everything looks like a nail." But anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. The Great Mental Models: General Thinking Concepts is the first book in The Great Mental Models series designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet- ignore them. Upgrade your mental toolbox and get the first volume today. AUTHOR BIOGRAPHY Farnam Street (FS) is one of the world's fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the timeless ideas and mental models that history's brightest minds have used to live lives of purpose. Our readers include students, teachers, CEOs, coaches, athletes, artists, leaders, followers, politicians and more. They're not defined by gender, age, income, or politics but rather by a shared passion for avoiding problems, making better decisions, and lifelong learning.

[Daggers Unsheathed](#) Judy Tyabji 2016-02-03 Daggers Unsheathed: The Political Assassination of Glen Clark is the story of the Glen Clark era in British Columbia politics. From the 1995 announcement of his NDP leadership aspirations to the day in 2002 when he was acquitted of criminal charges in a BC court, Glen Clark was the dominant personality in West Coast politics. Clark's style and politics as premier of BC ensured that everyone had a reaction to him. Opinions varied widely and emotions ran high, not only among opposition politicians, but also within his own party, the media, the public, and even, some say, the RCMP. Drawing on a wide range of interviews, access to the former premier's family, and an extensive review of media files, Judi Tyabji Wilson describes the forces that contributed to Clark's demise, including his own role in the process. Tyabji Wilson's political and media experience, combined with her first-hand knowledge of many of the players and the games they play, makes her the ideal person to tell this story. Daggers Unsheathed: The Political Assassination of Glen Clark digs deep and gives no quarter as it takes the reader on a journey through the backrooms of politics and behind the curtains of power. Entertaining and honest, it offers a clear and candid perspective on BC politics. *Finding the Hero in Your Husband, Revisited* Juli Slattery 2021-10-19 Women know how to work hard at marriage. Often their efforts end up sabotaging rather than building intimacy. Do you want to understand why? In this rewrite of her bestseller Finding the Hero in Your Husband, acclaimed Christian clinical psychologist and speaker Dr. Juli Slattery gently guides women through topics that are inherently woven into every imperfect marriage. Finding the Hero in Your Husband, Revisited, challenges misconceptions and outright misinformation that have misguided women for decades. In truth, women have power in marriage-but they don't often know how to use it. Illustrated with insightful real-life case examples, this book is both an educational resource as well as a practical "how-to" guide for navigating everyday trials as well as deeper difficulties. Juli offers understandable explanations of God's design, healthy expectations that re-frame experiences, and relatable applications that women of faith can practice to influence their marriage and deepen their relationship with God. Finding the Hero in Your Husband, Revisited, will help you more clearly see and encourage the hero within your husband by examining your own heart. Book jacket.

[Gateway to the Moon](#) Mary Morris 2019-03-12 In 1492, two history-altering events occurred: the Jews and Muslims of Spain were expelled, and Columbus set sail for the New World. Many Spanish Jews chose not to flee and instead became Christian in name only, maintaining their religious traditions in secret. Among them was Luis de Torres, who accompanied Columbus as an interpreter. Over the centuries, de Torres' descendants traveled across North America, finally settling in the hills of New Mexico. Now, some five hundred years later, it is in these same hills that Miguel Torres, a young amateur astronomer, finds himself trying to understand the mystery that surrounds him and the town he grew up in: Entrada de la Luna, or Gateway to the Moon. Poor health and poverty are the norm in Entrada, and luck is rare. So when Miguel sees an ad for a babysitting job in Santa Fe, he jumps at the opportunity. The family for whom he works, the Rothsteins, are Jewish, and Miguel is surprised to find many of their customs similar to those his own family kept but never understood. Braided throughout the present-day narrative are the powerful stories of the ancestors of Entrada's residents, portraying both the horrors of the Inquisition and the resilience of families. Moving and unforgettable, Gateway to the Moon beautifully weaves the journeys of the converso Jews into the larger American story.

[Capital Allocators](#) Ted Seides 2021-03-23 The chief investment officers (CIOs) at endowments, foundations, family offices, pension funds, and sovereign wealth funds are the leaders in the world of finance. They marshal trillions of dollars on behalf of their institutions and influence how capital flows throughout the world. But these elite investors live outside of the public eye. Across the entire investment industry, few participants understand how these holders of the keys to the kingdom allocate their time and their capital. What's more, there is no formal training for how to do their work. So how do these influential leaders practice their craft? What skills do they require? What frameworks do they employ? How do they make investment decisions on everything from hiring managers to portfolio construction? For the

first time, CAPITAL ALLOCATORS lifts the lid on this opaque corner of the investment landscape. Drawing on interviews from the first 150 episodes of the Capital Allocators podcast, Ted Seides presents the best of the knowledge, practical insights, and advice of the world's top professional investors. These insights include: - The best practices for interviewing, decision-making, negotiations, leadership, and management. - Investment frameworks across governance, strategy, process, technological innovation, and uncertainty. - The wisest and most impactful quotes from guests on the Capital Allocators podcast. Learn from the likes of the CIOs at the endowments of Princeton and Notre Dame, family offices of Michael Bloomberg and George Soros, pension funds from the State of Florida, CalSTRS, and Canadian CDPQ, sovereign wealth funds of New Zealand and Australia, and many more. CAPITAL ALLOCATORS is the essential new reference manual for current and aspiring CIOs, the money managers that work with them, and everyone allocating a pool of capital.

[Creating Interactive Websites with PHP and Web Services](#) Eric Rosebrock 2006-07-14 Build Dynamic Websites with PHP and MySQL—and Extend Those Sites with Web Services PHP and MySQL are great tools for building database-driven websites. There's nothing new about that. What is new is the environment in which your site operates—a world rich (and growing richer) in web services that can add value and functionality in many different ways. Creating Interactive Web Sites with PHP and Web Services walks you through every step of a major web project—a content-management system—teaching you both the basic techniques and little-known tricks you need to build successful web sites. And you can use those skills to develop dynamic applications that will meet your special requirements. Here's some of what you'll find covered inside: Adding, deleting, and displaying data with a custom content-management system Building a template system with PHP Interacting with web services using PHP and MySQL Creating and managing a user system and a shopping cart Processing credit card payments using merchant accounts and third-party payment solutions Tracking site statistics using PHP and MySQL Enhancing your site with third-party scripts Tons of examples, complete with explanations and supported by online source code, will speed your progress, whether you're a true beginner or already have PHP experience. This book is platform-agnostic, so it doesn't matter if you're deploying your site on Linux or Windows. You also get PHP and MySQL references, so you can quickly resolve questions about syntax and similar issues.

*She Works His Way* Michelle Myers 2021-10-12 Dear friend, We know it deeply. It is so hard to juggle work, home, and spiritual life. As working women, we've wrestled with tough questions: · How can I be effective in my work, and stay committed to the Gospel? · How can I be dedicated to my family, when my job is so demanding? · Why am I working so hard, and still so unfulfilled? Sound familiar? Like you, we see a culture that promotes success at all costs, and working women are falling for it. It's happening every day. Priorities are shifting. Things are getting done . . . but are we doing what matters most? And that's why we wrote this book. This is the story of how we traded the lies of the world for the truth of our loving Father--the lessons we learned that challenged culture's "good things" so we could find the greatest thing. The book you're holding in your hands is really a conversation--a conversation that pushes back against our culture with a Gospel-centered approach to work and womanhood, for the glory of God and the good of others. Let's get to work. His way. Michelle + Somer "This is the book for every working woman!"--ALLI WORTHINGTON, bestselling author and business coach

[A Guide to the Project Management Body of Knowledge \(PMBOK® Guide\) – Seventh Edition and The Standard for Project Management \(BRAZILIAN PORTUGUESE\)](#) Project Management Institute Project Management Institute 2021-08-01 PMBOK&® Guide is the go-to resource for project management practitioners. **Rebecca** Daphne du Maurier 2013-12-17 The classic Gothic suspense novel by Daphne du Maurier -- winner of the Anthony Award for Best Novel of the Century -- is now a Netflix film starring Lily James and Armie Hammer. Last night I dreamt I went to Manderley again . . . The novel begins in Monte Carlo, where our heroine is swept off her feet by the dashing widower Maxim de Winter and his sudden proposal of marriage. Orphaned and working as a lady's maid, she can barely believe her luck. It is only when they arrive at his massive country estate that she realizes how large a shadow his late wife will cast over their lives--presenting her with a lingering evil that threatens to destroy their marriage from beyond the grave. "Daphne du Maurier created a scale by which modern women can measure their feelings." --Stephen King

Tommy Rosen 2014-10-21 "The feeling was electric-energy humming through my body. I felt like blood was pouring into areas of my tissues that it had not been able to reach for some time. It was relieving and healing, subtler than the feeling from getting off on drugs, but it was detectable and lovely, and of a membership sales or high research feeling of more ease than I could remember. I felt a warmth come over me similar to what I felt when I had done heroin, but far from the darkness of that insanity, this was pure light-a way through." - Tommy Rosen, on his first yoga experience Most of us deal with addiction in some form.

While you may not be a fall-down drunk, anorexic, or a gambling addict, you likely struggle with addiction in other ways. Workaholism, overeating, and compulsively engaging with technology like video games, texting, and Facebook are also highly common examples. And if you don't suffer from addiction, chances are you know someone who does. Through more than 20 years of recovery and in working professionally with others, Tommy Rosen has uncovered core elements of recovery and healing, what he refers to as Recovery 2.0. In the book, he shares his own past struggles with addiction, and powerful, tested tools for breaking free from the obstacles that stand in the way of a holistic and lasting recovery. Building off the key tenets of the 12-Step program, he has developed an innovative approach that includes • Looking at the roots of addiction; your family history and "Addiction Story" • Daily breathing practices, meditation, yoga, and body awareness • A healthy, alkaline-based diet to aid with detox, boost immunity, increase vitality, support your entire recovery, and help prevent relapse • Discovering your mission, living on purpose, and being of service to others Recovery 2.0 will help readers not only release their addictions, but thrive in their recovery.

Patricia A. Adler 1987-06 In settings involving subcultures and deviant groups, the ethnographer must assume an active role in securing the trust of the group, thus becoming a participant in his or her object of study. The choice of role-from detached observer to complete member-affects the types of data used and how the ethnography is written. Drawing upon their own experiences as well as several contemporary ethnographic studies, Patricia and Peter Adler discuss the problems and advantages presented by each level of involvement in group study. Written for both the novice and the professional field researcher, this volume is a superb supplement for research methods courses. "An exciting book that portrays the traditions of social science field work in a creative, enlightening, nondogmatic manner. By maintaining a critical eye towards a priori ipistemological tenets while drawing on diverse examples of research to support each assertion, the Adlers provide both the experienced researcher and the interested novice a valuable assessment of fieldwork and strategies for conducting such research." -- Sociological Inquiry "Written clearly and concisely enough to be used with undergraduates, it offers the more sophisticated reader ideas and concepts that will be useful for further theoretical and empirical investigations of social action." --Urban Life "Provides[s] numerous examples of good research that will help students better understand what it means to be a qualitative researcher and to use one's self as a research informant. . . . Adler and Adler's sound grasp of the literature provides an excellent history and philosophy of field roles in sociology. . . . This contribution to qualitative research methodology is a creative synthesis of a large literature." -- Qualitative Studies in Education
